

Endless Pools® Fitness Systems | E2000

Det ultimate spabasseng for velvære, trening og sosial aktivitet!

Inntil nå, som for mange andre, har kanskje din personlige handlingsplan for egentrening vært mer en ønskeliste enn en realitet. Men, tenk deg om du faktisk kunne nå dine mål for deretter å kunne slappe av i varmt vann med hydroterapi? Er det noe som kan gi deg akkurat dette må det være det fantastiske svømmespaet E2000.

Her har Endless Pools laget markedets beste motstrømsbasseng kombinert med den mest avanserte undervannstredemøllen. Dette gir alle muligheter for trening med minst mulig belastning på muskler og ledd og med minimal risiko for skader. I tillegg har du en egen massasjeavdeling som sørger for at kroppen restitueres og raskt blir klar for nye svømme- eller løpeøkter i ditt eget treningseldorado.
